FOR THE TENTH CIRCUIT**

**VOTER REFERENCE FOUNDATION,
LLC,**

Plaintiff-Appellee,

v.

No. 22-2101

**HECTOR BALDERAS, in his official
capacity as New Mexico Attorney
General; and MAGGIE TOULOUSE
OLIVER, in her official capacity as
New Mexico Secretary of State,**

Defendants-Appellants.

DECLARATION OF MANDY VIGIL

I, Mandy Vigil, declare, under penalty of perjury, pursuant to 28 U.S.C.
§ 1746, that the following is true and correct:

1. I am The State Elections Director in the New Mexico Office of the
Secretary of State.

2. In this role, I am familiar with requests for voter data that are
received by the Secretary of State's Office. I also am familiar with complaints
and inquiries that the Secretary of State's Office has received concerning the
Office's handling of voter data.

3. Attached as Exhibit A is a request the Secretary of State received from Voter Reference Foundation under the New Mexico Inspection of Public Records Act and the National Voter Registration Act. The request seeks, among other things, voter registration data for all voters as it existed on November 8, 2022, voter registration data for all voters removed or canceled from any voter list between September 24, 2022, and December 15, 2022, and the voting history and voter ID for all voters in the 2022 general election.

4. This voter registration data requested by Voter Reference Foundation includes the home address and party affiliation of all individuals registered to vote in New Mexico.

5. The Secretary of State's Office has received 23 complaints from individuals concerned that their voter data, including home addresses, has been posted online by Voter Reference Foundation. Individuals asked how they may have their information removed. Several asked to cancel their voter registration to remove their name from the posted data.

6. The Secretary of State's Office has also received inquiries from state and federal court entities, the New Mexico Department of Corrections, and the U.S. Marshals Service, concerned that Voter Reference Foundation's

postings endanger judges, corrections officers, law enforcement, and other personnel.
